Sheila Glazov

Author “What Color is Your Brain?”

Sheila N. Glazov is an internationally known author, award-winning personality expert and professional speaker, and passionate educator. Sheila’s programs and books help individuals decrease the conflict and increase harmony, collaboration, and effective communications in their homes, workplaces, schools, and communities. Her innovative style has won Sheila praise for her **What Color Is Your Brain?**® programs in conference rooms and classrooms in the United States and around the world.

Sheila has appeared on CNN, NBC, ABC, FOX, LIFETIME and WGN TV. She has been interviewed on internet programs and radio stations throughout the United States and in Brazil, and featured in the *Wall Street Journal*, *Chicago Tribune*, *Chicago Sun Times*, *Daily Herald*, and *PRAVDA* newspapers, *iG* (largest Brazilian internet portal), *Happy Women* (Portuguese magazine), *Selling Power*, *HR*, *Women’s World*, *Chicago Parent*, *Seventeen*, and *Enterprising Women* magazines, and the Discover Card and Quill Corporation national customer newsletters. *Today’s Chicago Woman* newspaper selected Sheila as one of “100 Women Making a Difference.”

Sheila’s is the author of five books:

1. ***What Color Is Your Brain?*® *When Caring for Patients: An Easy Approach for Understanding Your Personality Type and Your Patient’s Perspective***. Health Care Professionals discover their unique Brain Colors, decode their patients’ and co-workers’ personalities, understand why their co-workers and patients see them way they do, and how the different Brain Color perspective influence workplace relationships!
2. ***What Color Is Your Brain?*® *A Fun and Fascinating Approach to Understanding Yourself and Others*** is Sheila’s original personality book that helps adults understand and respect people’s different perspectives.
3. ***Princess Shayna’s Invisible Visible Gift*** is a family fairy tale adaptation of ***What Color Is Your Brain?*®**. This chapter book helps children recognize and value their Brain Color attributes and abilities,
4. The ***Teacher’s Activity Guide for “Princess Shayna’s Invisible Visible Gift”*** is a teacher’s and parent’s resource to apply ***Princess Shayna’s*** valuable lessons in their classrooms or home.
5. ***Purr-fect Pals: A Kid, A Cat and Diabetes*** is an activity and resource book designed to offer comfort, education, and encouragement to children and their families who live with the challenges of Type 1 Diabetes.

Sheila allocates a percentage of all her book royalties to **JDRF** (Juvenile Diabetes Research Foundation).

Sheila has also written a customized **What Color Is Your Brain?**® curriculum for the Teamwork and Collaboration and Conflict Resolution and Creative Problem Solving sessions, as part of the University of Colorado Anschutz Medical Campus-Interprofessional Education and Development Program.

Sheila earned her Bachelor of Science degree in education from the Ohio State University. Sheila has a degree in Creative Leadership from Disney University and is a graduate of the Creative Problem Solving Institute and the McNellis Creative Planning Institute. She has taught elementary school and High School ESL. Sheila has been an adjunct faculty member of William Rainey Harper College, a guest instructor at DePaul, Penn State, and Northwood Universities. Sheila lives in the Chicagoland area with her husband and family.
