

DIFFICULT CASES

Presented by Trish Abbey, In-Home Counseling

Listening
=
Learning

Client and family interaction can be frustrating when cooperation with a care plan is minimal and progress is slow. Frustration and negative views of your clients are normal reactions but can damage the client/worker relationship. Trish will discuss how mental health and aging worlds are colliding and ways to approach those cases with an emphasis on collaboration, strengths, perspective and self-care for the practitioner.

Wednesday, March 13, 2019

4:30pm – 5:00pm - Registration Sign-in and Appetizers
