

### Prepare to Care

One of the most difficult tasks in the world is putting together a plan that you hope you and your loved ones will never have to use. When the unexpected happens, however, it helps to have the proper documents in place to deal with life's complications, especially when they are designed to help you care for someone close to you. This session will focus on the legal planning necessary in order to plan for today and the future.

**Presented by:** Kathryn Casey, JD, CELA

Ms. Casey concentrates in the area of elder law and is one of only a few certified elder law attorneys in Illinois. Her vast knowledge and presentation style make her the perfect person to speak on this important topic.
