THE NEW WORLD OF VA PENSION PLANNING

SPEAKER: Lauren A. Weldon

Partner, Margolis Weldon, LLC

Lauren is a valued contributor to the fields of elder law and estate planning, while supporting her clients and their families through some of life's most difficult transitions. She specializes in Estate Planning and Elder Law needs, including Special Needs, Trust Administration, Decedent's Estates and Guardianship. As part of her work with clients in transition, she assists with obtaining Illinois Medicaid benefits and the VA Aid and Attendance Pension.

Join us for an informative session discussing the October 2018 VA Aid and Attendance rule change. Learn what the new rules are, and find out how the new look back period and asset determination may prevent an individual or his or her family from accessing the Aid and Attendance pension benefit.

Social workers, nursing home administrators and RNs will receive 1.0 CEU credit after attending this session. CEUs provided by Elderwerks.

Seating is limited.

RSVP by March 4th to Susan Kocanda at 847-537-5000 or skocanda@belmontvillage.com
